

CAN Advisory Boards Continue to Create Opportunities

We are happy to announce a new board has been formed for Columbus, which will meet later this spring. We are also pleased to welcome our newest Chicago CAN Board members:

Dan Green
Executive Director of Illinois
FIRST Robotics

Sead Odzic
Managing Broker & Director of
Acquisitions, Becovic Management
Group, Inc

Thank you to all of the board members' continued support to help create more opportunities for our graduates.

Advisory Board Members-Columbus

Thomas N. Edwards
Athletic Director
HSA Columbus Ohio

Kristin Sony, M. Ed
Community Outreach Coordinator
HSA Columbus Ohio

Natenon Tongtae

25 New Plan Learning Scholarships to Be Awarded

We are proud to announce [New Plan Learning \(NPL\)](#), a not-for-profit facilities management services company that supports several Concept schools, will be awarding a \$500 scholarship to 25 Concept alumni to pay for books, student and/or lab fees, or college/university tuition this fall. High school seniors are also eligible to apply. Scholarship winners will be announced by August 1. We sincerely thank NPL for their generosity!

CAN's Certificate Programs Really Taking Off!

At the end of March, five Concept alumni completed the 8-week CCNA program at Tri-C's Advanced Technology Training Center in downtown Cleveland. They are now busy preparing to take their certification test, which will open a variety of career paths in networking. We are also pleased to be partnering again with [Tri-C's Unified Technology Center](#) to offer Concept alumni a health career cohort program at a reduced tuition rate and with job placement assistance. An information session for interested alumni will be held in the coming weeks.

Employment Opportunities Plentiful This Spring

Endless career opportunities are available on the CAN website for alumni as we approach the next school year. Alumni can view all open positions at our 30 schools on the Employment page and easily apply through the website. Current openings include teaching positions, coaching, and administrative jobs, and more. We love seeing our alumni return to their alma maters and give back to the next generations of Concept students.

CAMP Is Pairing Up Mentees and Mentors for Success

In just 4 weeks, 55 mentees have registered for the new Concept Alumni Mentorship Program (CAMP). Most mentees have already been paired with a mentor and the program starts in full this summer. Over the course of the mentees' college careers, we are hopeful that the esteemed professionals they have been paired with will be an inspiration to them in their journey toward success. We are happy that our mentees will have the opportunity to gain hands-on experience and job shadowing and much more through this program. To become a mentor or mentee, please visit the [CAMP website](#).

Put a Face to the Name in Alumni Spotlight

Jayana Stokes, HSA Cleveland High School (Class of 2014), sophomore studying Early Childhood Education at Bowling Green University

Our weekly Alumni Spotlight keeps CAN members abreast of the great things their fellow alumni are accomplishing in college and career. The drive these alumni have and the ways they are making an impact in the world never ceases to amaze us. You can be inspired by all the featured alumni on the [CAN website here](#).

Upcoming Social Events!

CAN is organizing a variety of events before the school year ends and this summer, including galas, reunions, college fairs, dinners, picnics, and more. Be sure to check your school's alumni webpage for your local events. All community members are welcome!
