

## CAMP Offers \$1000 Scholarships Per Year

We have a growing number of mentors and mentees registered for the Concept Alumni Mentorship Program (CAMP), including a truly impressive array of mentors from doctors, lawyers, real estate managers, and much more. We are pleased to announce that CAN will provide a \$1000 scholarship per year to mentees for their participation. This program pairs professionals with Concept Alumni who are currently attending college and looking for academic, career and personal growth opportunities and advice. ## Leaders Step Up As Concept Alumni College Liaisons

As a growing number of alumni embark on their college journey, CAN is there to support them; but we recognize that having a support network on campus will be more of a direct help. That's why we've begun appointing Concept Alumni with leadership and volunteer experience to serve as the Concept alumni liaison at their own colleges/universities. These liaisons will help their fellow alumni navigate all that their school has to offer, provide support, and help communicate all that CAN has to offer alumni. ## ConceptAlumniNetwork Regional Directors

CAN provides continued support to Concept graduates as they embark on the next stages of their lives in college, careers and beyond. Each Concept school has a Concept Alumni Regional Director dedicated to college and career success of our students. [Click here](#) to contact our Regional Directors.

## New Plan Learning (NPL) Education Scholarship

We are happy to announce that it is because of [New Plan Learning's](#) (NPL) financial support that the Concept Alumni Network was able to get off to a strong start for its mentorship program. Now, with NPL's contribution of NPL Education Scholarship, we are poised to serve our students even better in 2016.

NPL's contribution has been designated as college scholarships to deserving 30 graduates who are currently attending college and have registered as a Concept Alumni Mentorship Program (CAMP) mentee. There is no doubt that this gift will touch our student's life and make the college experience a little easier by getting help from a successful professional in the community as a mentor.

## Employment Opportunities Plentiful This Fall

Endless career opportunities are available on the CAN website for alumni as we approach the next school year. Alumni can view all open positions at our 30 schools on the Employment page and easily apply through the website [here](#). Current openings include teaching positions, coaching, and administrative jobs, and more. We love seeing our alumni return to their alma maters and give back to the next generations of Concept students.
